USE OF THE FEDERAL SENATE PREMISES

"Article 26 Use of the Senate premises for the installation of links to television stations and private lines to radio stations, as well as image capture on specific premises for the production of news programs and special reports, must be authorized by the Secretariat for Social Communication, and non-journalistic productions by the First Secretary.

Paragraph 1 The request for use of the premises of the Federal Senate must contain the purpose, date, time, intended location, and identification of the professionals involved, submitted at least three business days in advance.

Paragraph 2 In special or unforeseen situations, the compliance with the time limit mentioned in Paragraph 1 of this article may be waived. Article 27. The authorization shall be subject to the evaluation of merit, convenience and appropriateness, after consultation with those responsible for the spaces requested."
